60, Harihar Nagar, Indira Nagar, Lucknow  
Lucknow, Uttar Pradesh

## Summary

Full Stack Developer with 2 years experience in Web Development Domain. Expert level skills in Java, C++, Python. Dedicated and hardworking Competitive Coder with relevant skills for problem solving and analysing. Sometimes a strategic thinker and a team-player always. Chose Web-Dev as a side skill but I fell in love with it so I built many projects and all are listed on my portfolio website and [github](#).

## Experience

### The Sparks Foundation

Web Developer Intern • Vellore, Tamil Nadu

07/2021 - 08/2021

- Designed and coded a basic banking website which would show all the transactions done by the users as well as allow users to send money from their account to any other recipient.
- Completed web development tasks assigned to me within the stipulated time and uploaded following proper instruction.
- Write efficient, maintainable and reusable code prioritizing privacy and security

### WebMobi

Web Developer Intern • Vellore, Tamil Nadu

01/2021 - 02/2021

I started as a web developer intern and learned many things about teamwork and the work that was assigned to me but due to health reasons, I had to leave the internship mid way.
